

Automatic location communicator (ALC) monitoring agreement form

This Form should be completed to authorise the Department of Primary Industries and Regional Development (**DPIRD**) to appropriately configure and electronically monitor a vessel's ALC unit. This authorises DPIRD to collect, use and disseminate data from the ALC in accordance with the *Fish Resource Management Act 1994* (FRMA) and DPIRD policy.

| Fishing Boat Licence (FBL) Number CLS Triton Advanced ALC Details To be completed by the Authorised Agent as defined in the Approved Directions Software Version at installation (Dome) Software Version at installation (Junction Box) Dome Serial Number Junction Box Serial Number Terminal ID Number Pin Number Fishery Details Indicate in the boxes below ALL fisheries that the ALC Fishing Boat listed above is authorised to fish that are monitored by WMS.
