

APPENDIX 2: FISHERIES RESEARCH DIVISION STAFF PUBLICATIONS

Reports

- Gaughan, D.J. & Mitchell, R.W.D. 1999, *The biology and stock assessment of the tropical sardine, Sardinella lemuru, off the mid-west coast of Western Australia*, final report to Fisheries Research and Development Corporation on project 95/037, 183 pp.
- Griggs, L., Bradford, E., Jones, B. & Drummond, K. 1998, *Growth and movement of tagged kahawai in New Zealand waters*, NIWA Technical Report 10, 38 pp.
- Humphrey, J.D., Norton, J.H., Jones, J.B., Barton, M.A., Connell, M.T., Shelley, C.C. & Creeper, J.H. 1998, *Pearl oyster (Pinctada maxima) aquaculture: health survey of Northern Territory, Western Australian and Queensland pearl oyster beds and farms*, final report to Fisheries Research and Development Corporation on project 94/079, 108 pp.
- Jackson, G., Neira, F.J., Jones, G.K., Ward, T.M. & Kinloch, M. 1998, 'Bait fisheries of southern and eastern Australia', in *A collaborative investigation of the usage and stock assessment of baitfish in southern and eastern Australian waters, with special reference to pilchards (Sardinops sagax)*, eds T.M. Ward, M. Kinloch, G.K. Jones & F.J. Neira, final report to Fisheries Research and Development Corporation on project 94/029, pp.48-61.
- Kinloch, M., Hoedt, F., Ward, T.M., Jones, G.K., Jackson, G., Dimmlich, W. & McGarvey, R. 1998, 'Use of the daily egg production method to estimate the spawning biomass of pilchards in South Australian waters', in *A collaborative investigation of the usage and stock assessment of baitfish in southern and eastern Australian waters, with special reference to pilchards (Sardinops sagax)*, eds T.M. Ward, M. Kinloch, G.K. Jones & F.J. Neira, final report to Fisheries Research and Development Corporation on project 94/029, pp.254-63.
- Kinloch, M., Neira, F.J., Ward, T.M., Hoedt, F. & Jackson, G. 1998, 'Reproductive biology of pilchards in southern and eastern Australia', in *A collaborative investigation of the usage and stock assessment of baitfish in southern and eastern Australian waters, with special reference to pilchards (Sardinops sagax)*, eds T.M. Ward, M. Kinloch, G.K. Jones and F.J. Neira, final report to Fisheries Research and Development Corporation on project 94/029, pp.227-33.
- Lawrence, C.S., Morrissy, N.M., Bellanger, J. & Cheng, Y.W. 1998, *Enhancement of commercial yabby production from Western Australian farm dams*, FRDC project 94/075, Fisheries Research Report no. 112, Fisheries Western Australia, 134 pp.
- Lee, C.L. 1998, *A study on the feasibility of the aquaculture of the southern bluefin tuna, Thunnus maccoyii, in Australia*, Agriculture Fisheries and Forestry Australia, Canberra.
- Melville-Smith, R., Chubb, C.F., Caputi, N., Cheng, Y.W., Christianopoulos, D. & Rossbach, M. 1998, *Fishery independent survey of the breeding stock and migration of the western rock lobster (Panulirus cygnus)*, final report to Fisheries Research and Development Corporation on project 96/108, 47 pp.
- Melville-Smith, R., Cliff, M. & Anderton, S. 1999, *Catch, effort and the conversion from gill nets to traps in the Peel-Harvey and Cockburn Sound blue swimmer crab (Portunus pelagicus) fisheries*, Fisheries Research Report no. 113, Fisheries Western Australia, 24 pp.
- Pearce, A.F., Caputi, N. & Suber, K. 1998, *Effects of seasonal and interannual variability of the ocean environment on recruitment to the fisheries of Western Australia*, final report to Fisheries Research and Development Corporation on project 94/032, 67 pp.
- Pitcher, T.J., Watson, R., Courtney, A. & Pauly, D. 1998, *Assessment of Hong Kong's inshore fishery resources*, University of British Columbia Fisheries Centre Research Reports no. 6(1), 211 pp.
- Thorne, T.J., Cassell, H.S. & Jones, J.B. 1999, *Application of an in-vitro tissue culture assay for the determination of paralytic shellfish poison (Saxitoxin family) and comparison to the HPLC assay and the standard mouse bioassay*, final report to Fisheries Research and Development Corporation on project 96/323, 27 pp.
- Watson, R.A. & Walter, C. 1998, 'Ecosim and MPAs: a quasi-spatial use of Ecosim', in *Use of Ecosim to evaluate strategies for sustainable exploitation of multi-species resources*, University of British Columbia Fisheries Centre Research Reports no. 6(2), pp. 15-18.

In press

- Chubb, C.F. & Barker, E.H., *The western rock lobster fishery 1993/94-1994/95*, Fisheries Research Report, Fisheries Western Australia.
- Harris, D.C., Joll, L.M. & Watson, R.A., *The Western Australian scallop industry*, Fisheries Research Report no. 114, Fisheries Western Australia.
- Sumner, N.R. & Steckis, R., *Statistical analysis of Gascoyne Region recreational fishing study July 1996*, Fisheries Research Report, Fisheries Western Australia.
